Dear Parents and Friends

Thanks for your support during Westfield's "Shop For Your School". We are eagerly awaiting the final result.

Wet weather has held up installation of shade structures over our new Adventure Playground equipment, but the shade sails should be completed this week. The **statewide prize** in "Shop For Your School" – a **\$10,000 playground installation** in the form of a series of fitness stations – will be installed during the next month. After that we will

spread softfall mulch under all the play equipment needing it. We will soon have enough playground equipment for every child to be on a different piece at the same time!

PARENTS CLUB MEETING – TOMORROW, WEDNESDAY 8TH AUGUST

9:15 A.M. STAFFROOM

The next Parents Club meeting will be held at 9:15 a.m. tomorrow, Wednesday, 8 August, in the staffroom. Younger children are welcome. The meeting will go for about an hour. Please support this valued group – I hope to see you at the meeting!

BULLDOGS FRIENDLY SCHOOL

We value the support of the Western Bulldogs in various ways. As part of this partnership we will be involved in the Principal For a Day program on Friday, August 31. Henry Jolson, a Board member of the Western Bulldogs, will spend the day here with me discovering what is involved in the job of a school principal. I never know what it's going to involve myself – ask your children about our lunchtime visit last Friday from a dog the size a small horse!! This is a publicity opportunity for Keilor Park PS and the education system in general. It will also be an important learning opportunity for me when I later visit the Western Bulldogs

to observe the work Henry is involved in on the Board of Directors.

CARING AND SHARING PROGRAM Term 3 focus: RESPECT

This Week: RESPECTING ADULTS

Students will be made aware that they should use a calm and courteous voice to all adults. Students will be encouraged to listen to adults carefully and ask appropriate questions.

Next Week: RESPECTING THE OPPOSITE SEX

Students will focus on the stereotyping of boys and girls in our society. There will be discussion about the different "myths", eg girls playing sport, etc.
